COVER STYL' SMART INTERIOR DESIGN

Cover Styl' is a self-adhesive vinyl designed to realistically recreate the look of natural, more expensive materials, appropriate for interior decoration or refurbishment projects.

New life can be brought into furniture and interior surfaces with Cover Styl', as the self-adhesive vinyl offers endless refurbishment opportunities for walls, facades, doors, columns, bars, offices, restaurants, lobbies, bathrooms, hospitals, banks and conference rooms.

COVER STYL'

THE RANGE

The Cover Styl' range incorporates hundreds of patterns, including wood, metallic, solid colours, glitter, stone, marble, and leather.

Application of Cover Styl' self-adhesive products can be applied in situ, meaning modifications to surface designs in intricate environments can be done with minimal disruption.

Key Benefits

- Recreates the look of natural materials
- More cost effective than a classic refurbishment
- Easy, effortless and ultra-fast installation process
- 10 year guarantee against changes in appearance
- Heat-stretchable by up to 220%, facilitating a perfect application on any furniture contour
